2025 SUNSET SOIREE

**AN ENCHANTED EVENING CELEBRATING HOW HANDS-ON
LEARNING IGNITES CURIOSITY AT OLD WORLD WISCONSIN**

Did you know that STEM-based learning began in the mid-1800s with the formation of agricultural sciences? STEM-based (Science, Technology, Engineering, and Mathematics) learning offers numerous advantages, including enhanced critical thinking, problem-solving skills, and the development of skills like creativity and collaboration.

This year, we are hoping to raise at least \$40,000 to fund new interactive, STEM-based programming across the site. We are hoping to begin with enhancements to the activities in the Wagon Shop, but your gift may also provide enhancements to Catch Wheel Fever, the Yankee Farm, the 1900s Polish Immigrant Home, the Pomeranian area and more!

SATURDAY  **SAVE THE DATE**
(AUG. 24 IN CASE OF SEVERE WEATHER)

YOU HAVE THE OPPORTUNITY TO IMPACT THIS PROGRAM NOW!
