

ANNUAL GRATITUDE REPORT

Remembering our Roots & Planting Seeds for the Future

Fiscal Year
July 1, 2025 ~ June 30, 2026

Message from the Chair

A community of donors...

Ron Buchholz
Chair

"If you want to go fast, go alone. If you want to go far, go together." This beautifully stated African proverb gets to the heart of what I've been feeling lately. As I reflect on my time as the Chair of the Old World Foundation, I'm grateful to be part of a group of like-minded people who love and support Old World Wisconsin through their donation of time and treasure. At each event I attend I'm humbled to meet more of our donors and fascinated by their stories and backgrounds. What a wonderful gift to experience! We all share common interests, our love of Old World Wisconsin, our support of the Wisconsin Historical Society, and our belief in history and its role in helping us create a bright future.

My wife, Luann, recently planted a substantial number of saplings in our yard. Being the person who mows the lawn, I grumbled a bit about the obstacle course laid before me. My most valid argument, I thought, was that we'd never see these trees reach their full maturity, to which my wife replied that she's planting the trees so others can enjoy them in the future. She's right, of course. In case you're wondering, in terms of disagreements with my wife I remain winless in 2026.

Some trees, like mangroves, create a broad, interconnected network by weaving their roots together to stand firm against the tide. Each tree strengthens the whole. This is a perfect analogy for the *Friends of Old World Foundation*. The time and financial support each of us gives strengthens the whole and contributes to the next fifty years at Old World Wisconsin. We are "planting saplings" for future generations.

Old World Foundation experienced much success this past year, due to a strong and committed staff, and due to a caring and committed group of donors who come together, intertwine their roots, and work for a strong future at Old World Wisconsin.

Thank you for your continued support, it is greatly appreciated!

Ron Buchholz

Planting seeds for the future...

As Old World Wisconsin celebrates its 50th anniversary in 2026, we reflect on the past and the people who have shaped both Old World Wisconsin and Old World Foundation. I am grateful for those who came before me who planted the seeds for this important historic site as well as those who planted the seeds of our foundation.

Old World Foundation's founders had a passion for wanting to see Old World Wisconsin grow into the dynamic site that it is today. Our foundation's founders fostered the seedlings of hope and rolled up their sleeves to do the work necessary to nurture the foundation to grow into the healthy non-profit partner of Old World Wisconsin.

The most important part of our foundation is YOU – our *Friends* who trust us to steward your donations and use your gifts to make a significant impact at Old World Wisconsin. Whether you have given a gift to fund the animals, gardens, buildings, educational programs, accessibility, special events or have given an unrestricted gift that can be used to fill gaps where needed most, YOU have nourished all that is OWW.

As we look to the future and the next 50 years of Old World Wisconsin, we are thankful for our strong roots, allowing our branches to reach ever upward. Legacy gifts

Gwen Griffin
Executive Director

have allowed our foundation to grow our endowment funds to \$1.3 million which will have an impact on the future of Old World Wisconsin. These types of gifts will allow our foundation to fund programs not yet created but will be important to fulfill the mission of sharing authentic stories about our past with future generations.

Thank you for believing in history and the importance of sharing stories. Thank you for recognizing that the animals, gardens, buildings, and collections are all important parts of these stories, but most importantly, thank you for allowing us to use your gifts to share history in an authentic and meaningful way.

Together, we can make history unforgettable.
Together, we can continue to plant seeds for the future!

With gratitude,

Observations from Old World Wisconsin

Doug Raney
OWW Director

Old World Wisconsin has the good fortune to sit within the beautiful Kettle Moraine State Forest of Southeast Wisconsin, surrounded by towering Red Pines, amazing Oak openings, prairie, marshes, and lakes. Over the past 50 years, through hard work, dedication, and partnership we have gone from a handful of buildings to a site of over 60 reconstructed and built buildings in 4 distinct areas. Along with a variety of programs and special

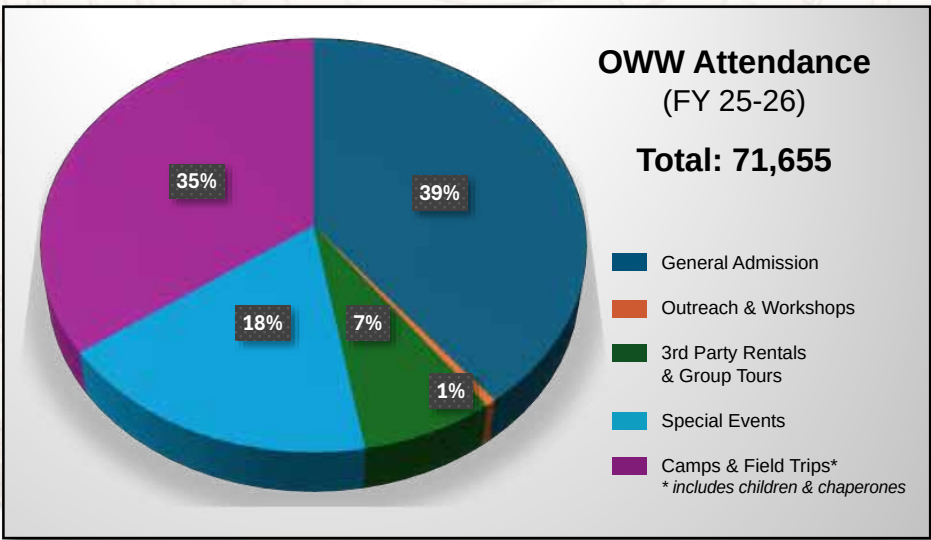

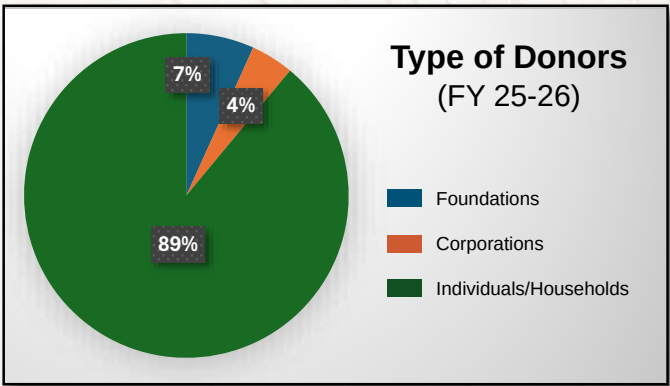

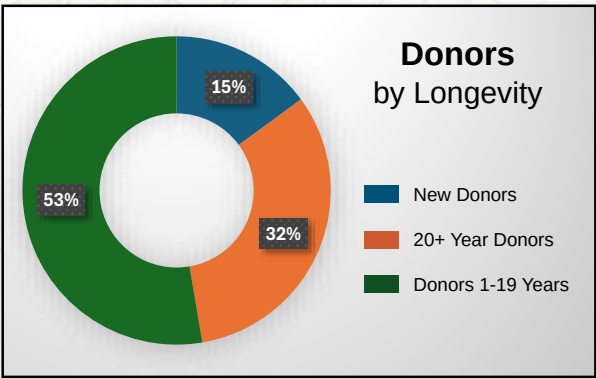

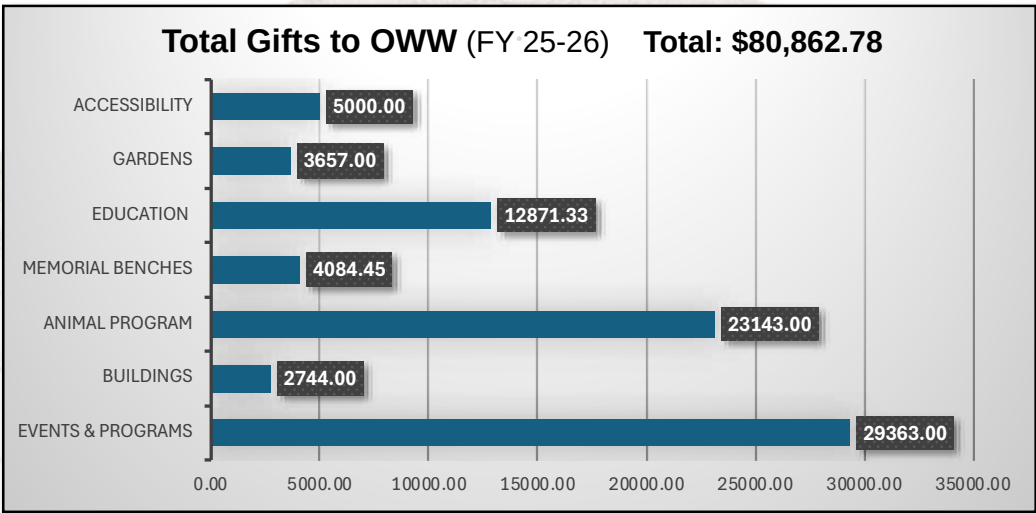

events, heritage bred animals, and extensive gardens and landscape, Old World Wisconsin has developed into the largest museum of rural life in America.

Because of your deeply rooted commitment, our shared mission has grown stronger and reached higher than ever before this past year. Just like our on-site Oaks rely on a strong network of roots to draw nutrients, weather storms, and stand tall, Old World Foundation, and in turn, Old World Wisconsin relies on the steady, hidden strength of donors like you. Your continued generosity this past year provided the vital sustenance needed to turn our vision into tangible impact.

As we look forward to the future, we are eager to see this partnership continue to blossom. Here at Old World Wisconsin, we are deeply grateful for your decision to plant your trust, your passion, and your resources in the site and our future.

Your Impact this Past Year

YOUR GENEROUS CONTRIBUTIONS ARE THE ESSENTIAL NOURISHMENT NEEDED TO HELP US GROW...

Because of your support over the last 42 years... we have grown strong roots, allowing us to grow branches that reach ever upward.

Fun With Our Friends

STRENGTHENING OUR ROOTS TO HELP US STAND STRONG

Our signature events give us the opportunity to celebrate the generosity of our *Friends*.

This past fiscal year, we held two *Friends* Appreciation Days (scheduled in different calendar years, but within the same fiscal year).

FRIENDS APPRECIATION DAY ~ JULY 19, 2025

On July 19, 2025, we welcomed our *Friends* to our annual *Friends* Appreciation Day. Dispositions were sunny, even though the weather was not. Guests enjoyed delicious, assorted breakfast items, met Dottie - the lamb, and heard about the newly opened Wittnebel's Tavern, before exploring OWW on their own.

ANNUAL MEETING & END OF YEAR CELEBRATION ~ SEPTEMBER 18, 2025

Our Annual Meeting and End of Year Celebration was held on September 18, 2025 in Caldwell Hall at Old World Wisconsin. We were joined by many of our *Friends* and also several of our corporate partners, including Milwaukee Tool who presented us a \$4,000 check to purchase a golf cart for Old World Wisconsin.

FRIENDS APPRECIATION DAY ~ JUNE 13, 2026

On June 13, 2026, we again welcomed over 120 of our *Friends* and their guests to OWW to enjoy a yummy breakfast buffet, meet the new ducklings, and participate in a tour of the Welcome Center or the Yankee Farmhouse (Sanford). It was a beautiful day for our guests. This event also kicked off our 2026 Chair's Challenge Campaign with the unveiling of this year's Sunset Soiree artwork created by Becky Horsfall of Graphix Dezine.

SOWING SEEDS FOR THE FUTURE OF OLD WORLD WISCONSIN

Your gifts will help us fulfill our mission to responsibly fund the advancement of Old World Wisconsin, and lead to our vision of a future where lessons of the past ignite curiosity, inspire learning, and foster a deeper understanding of our diverse cultural heritage.

The Legacy Society sows financial seeds which will be harvested by Old World Wisconsin Foundation (aka Old World Foundation) to benefit Old World Wisconsin for years to come. Established by Old World Wisconsin Foundation, Inc., a 501(c)(3) charitable organization, the Legacy Society recognizes those who have included Old World Wisconsin Foundation in their estate plans.

We are thankful for all those who give to Old World Wisconsin through Old World Foundation! We are honored that so many trust us to help them achieve their philanthropic goals. Here are a few thoughts from some of our *Friends*...

"Weaving my way through the pine trees took me away from the modern world of medicine. What could be better than combining my love of history and the outdoors?"

— Sheri Watkins

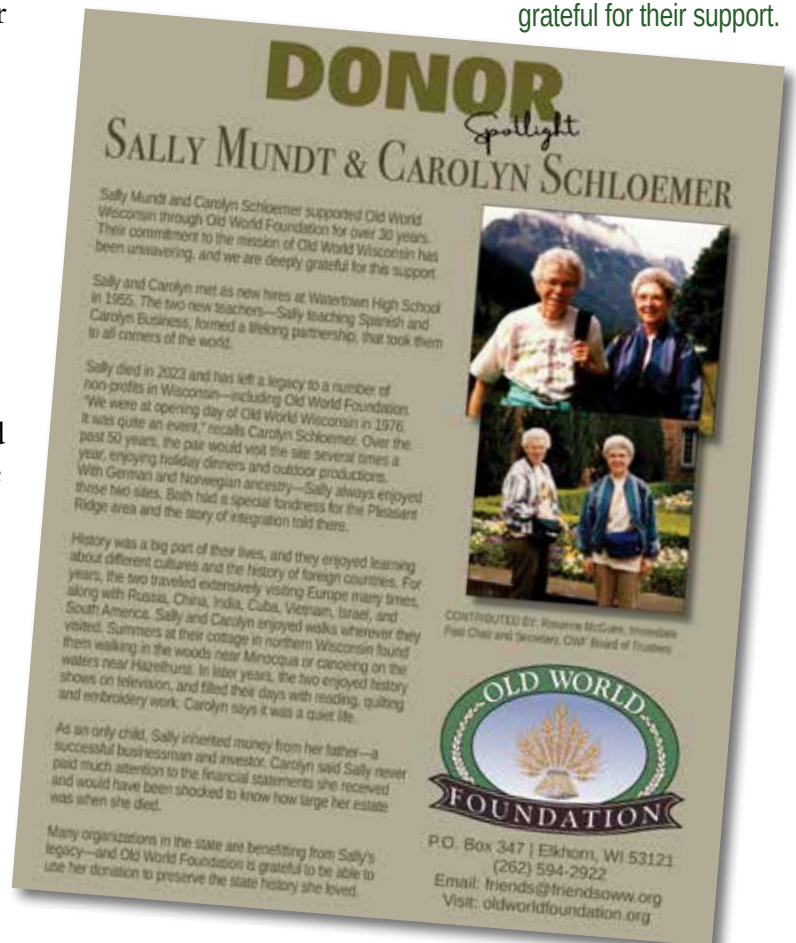

"We monitor Charity Navigator and know the foundation is run so solidly. We are so impressed with Gwen, and the board has been wonderful. There is such integrity in the management of donations. We like to know our money is being well-spent!"

— Ken & Kathy Sadowski

"Old World Wisconsin Foundation has just become our favorite charity. We will continue to give as long as we can!"

— Donna & Sherman Swanson

Sally Mundt and Carolyn Schloemer supported Old World Wisconsin through Old World Foundation for over 30 years. Because Sally believed so strongly in the mission of Old World Wisconsin, when she passed away, she left a legacy through Old World Foundation. Sally's generous gift will help to fund future programming at Old World Wisconsin, and we are grateful for their support.

"I know Old World always had a very special place in Mom's heart. Of course, her many years volunteering sealed the deal, but she wouldn't have spent so much time there had she not believed in its importance. Genealogy was a passion of hers and the history of Wisconsin

displayed in such a creative and accessible way reflected some of her own family's immigrant and farming history. Though she wasn't able to visit as often in later years, she did keep up with the developments at Old World," said Anita O'Brien, Terri's daughter.

— IN MEMORY OF Terri & Rudy Sundberg

Have you considered leaving a legacy gift to Old World Wisconsin?

Your generosity today will allow OWW to continue to share the stories of our ancestors in a fun and engaging way into the future. Old World Foundation can accept a wide variety of assets on behalf of OWW and many of these gifts offer significant tax benefits.
